## Engagement Session

Engagement session includes up to 2 hours photography coverage. These portraits will be featured in your own private online gallery to share with your family and friends. We can visit multiple locations based on the type of scenery, feel you would like.

## Wedding Day Coverage

Your wedding day creatively photographed by Merissa Lambert in a candid, photo journalistic style. My assistant and I photograph your wedding day as the story unfolds. Fun, creative and low key storytelling. Before your wedding we can meet up to chat about any changes and go over last minute details. The only thing directed by the photographer is group and creative portraits.

This is a fun session for creating unique and artistic portraits. We could rent a tandem bike, go to a carnival or to your favorite fishing hole, the options are unlimited! This is really all about you!
